

Saint Thomas More Catholic Church

November 20, 2006

Dear Mrs. Barbara Troche:

By all accounts the Women's Retreat 2006 at St. Thomas More was a great success. Thanks be to God and in no small measure to you, Barbara!

When my associate Fr. Alex Vargas told me that you had come with Dr. Carol Razza's recommendation, I knew that the women of our Hispanic Community would be treated to spirited, wise and faithful presentations. You exceeded all of our hopes and I bless you for that. As importantly, you helped to strengthen a bond between all of the women of God here at STM: one body, many voices, many languages, in the harmony which only Jesus Christ can orchestrate.

In keeping with the Biblical Teachings, *the preacher is worthy of her keep*, please accept this gift as an expression of our love for you and support of your ministry.

Fr. Vargas and Fr. Truong join me in thanking God for you and in wishing you every good blessing from above, now and always.

In His service,

Rev. Julian P. Harris, pastor
